The background of the image is a dark, warm-toned photograph of several lit candles. The candles are in various stages of being lit, with some showing bright yellow flames and others appearing as soft, glowing bokeh lights. The overall atmosphere is cozy and intimate.

Merry Christmas

A stylized illustration of a nativity scene. The background is a dark green to black gradient with a yellow horizontal band across the top. A bright star is positioned at the top center, with a vertical line extending downwards from it. The scene is filled with numerous small white stars and larger, multi-pointed starburst patterns. In the center, a wooden manger structure is silhouetted against the yellow band. Inside the manger, the silhouettes of Mary, Joseph, and the infant Jesus are visible. To the left, a camel is silhouetted against the background. To the right, a cow and a bull are silhouetted. The overall style is simple and graphic.

*When they saw the star, they were overjoyed.
